One of the most significant ways you can contribute to St. Mary's is to join the **Living Faith Society**. An **electronic monthly donation** drafted directly from your checking account or credit card reduces fundraising overhead, helps with on-going operational expenses, makes donating simple through automation, allows you to budget a donation over time and provides a **stable donation base**.

The Living Faith Society was formed in 1999 and today, **more than 400 people**, including current and former students, parents and friends of St. Mary's donate automatically a set amount they determine on the same day of every month. It's **easy** because you don't have to remember to bring money to Mass. It's **helpful** because you can set your budget and keep your bookkeeping simple. It's **rewarding** because not only are you helping to keep this great ministry growing, you will also receive the Living Faith Devotional four times a year. This popular devotional provides a different scripture verse and short meditation for each day.

You can increase, decrease, hold or discontinue your contribution **at any time** simply by calling St. Mary's.

Please consider filling out this form **to join the Living Faith Society** and contribute to St. Mary's ministry.

Thank You!
