

Parking Permit Information 2023-2024

The St. Mary's Catholic Center parking permit allows you to park in the new main St. Mary's lot (at the corner of Nagle and Cross Streets near the new Church) as well as the lot behind the Sunoco gas station and Subway restaurant. The entrance to the new parking lot is at 402 Nagle Street, the same as the temporary entrance for the past year, and just one block down from the previous entrance. These areas require a St. Mary's permit on Monday - Friday, 7:00 AM to 4:00 PM. A parking permit does not guarantee a parking place, however we do limit the number of permits issued. If you have trouble finding a parking space, the parking attendant will be able to give you further instructions. Occasionally, (e.g. Ash Wednesday or funerals), part or all of the lot may be unavailable for permit users. A valid cling tag or current daily permit must be visible through the front windshield.

IF YOU DO NOT HAVE A PERMIT PROPERLY DISPLAYED YOUR CAR WILL BE SUBJECT TO TOWING!

Designated visitor spaces are the first four rows of the new parking lot. These rows are strictly reserved for those who are visiting the church, student center, or have office business. Your St. Mary's permit is not valid in these spaces. Please note that the gravel lot is no longer available for regular permit parking. Overnight parking will not be permitted so that the entire lot will be available on evenings and weekends for St. Mary's parking. Regular permits are not valid for game day parking or special event parking.

COST OF PERMIT

The cost of the permit for 2023-2024 is \$440 for an annual permit, \$360 for the school year permit, \$200 for each fall and spring semester permit, \$100 for the summer permits, or \$60 per monthly permit. The daily fee is \$5.00/day. A replacement fee of \$25.00 will be required to replace any lost or stolen permits.

GENERAL INFORMATION

The proceeds from the operation of St. Mary's parking areas benefit the Catholic campus ministry at Texas A&M. When you park with us, you are supporting over 80 organizations, programs, events, and activities that make St. Mary's a spiritual "home away from home" for students. Thank you!
